Dear Mr. Scott:

The Alabama Department of Environmental Management (ADEM or the Department) has completed its review of the McClellan Development Authority's (MDA) subject Final Corrective Measures Implementation Plans (CMIP) and accompanying Technical Memo. The Department withheld concurrence on the subject CMIPs until the modification to the Cleanup Agreement between MDA and ADEM could be placed on public notice, finalized and signed. ADEM has signed the modification to the Cleanup Agreement and, therefore, concurs with the subject CMIPs as written.

If you have any questions concerning this matter, please contact Mrs. Brandi Little of the Remediation Engineering Section at 334-274-4226 or via email at [blittle@adem.state.al.us](mailto:blittle@adem.state.al.us).

Sincerely,

A handwritten signature in black ink, appearing to read "Stephen A. Cobb". The signature is fluid and cursive, with the first letters of the first and last names being capitalized and prominent.
