RE: ADEM Review and Concurrence: *Monitoring Well Abandonment for Iron Mountain Road Extension*; dated November 27, 2018
Fort McClellan, Calhoun County, Alabama
Facility I.D. No. AL4210020562

Dear Mr. Odom:

The Alabama Department of Environmental Management (ADEM or the Department) has reviewed the McClellan Development Authority's (MDA) *Monitoring Well Abandonment for Iron Mountain Road Extension*, dated November 27, 2018. The subject document included the MDA's revisions to comments that were discussed during a November 27, 2018 conference call. In addition, as discussed during a call on December 6, 2018, the MDA plans to pressure grout deep wells OLF-G33, OLF-G34, and OLF-G38 to abandon them in-place as opposed to removing the wells as presented in the original plan. Therefore, ADEM concurs with the well abandonment plan with the revisions noted above.

If you have any questions or concerns regarding this matter, please contact Mr. William Overstreet at 334-270-5646 or via email at william.overstreet@adem.alabama.gov.

Sincerely,

Jason Wilson, Chief
Governmental Hazardous Waste Branch
Land Division
