Dear Mr. Odom:

The Alabama Department of Environmental Management (ADEM or the Department) has reviewed the McClellan Development Authority's (MDA) *Final Revision 3, RCRA Facility Investigation (RFI) Report for the Range 30 Impact Area*. MDA submitted this revised RFI Report to incorporate all of the edits and replacement pages as requested in ADEM's August 5, 2019 concurrence letter. The Department concurs with the Final RFI. ADEM requests that MDA submit a corrective measures implementation plan including a draft covenant for review and approval.

If you have any questions concerning this matter, please contact Mrs. Brandi Little of the Remediation Engineering Section at 334-274-4226 or via email at blittle@adem.alabama.gov.
