Mr. Robin Scott, Chief Executive Officer
McClellan Development Authority
4975 Bains Gap Road
Anniston, Alabama 36205

RE: **ADEM Review and Concurrence:** Corrective Measures Effectiveness Report (CMER),
January 2015 Monitoring Event Former Chemical Laundry and Motor Pool Area 1500,
Parcel 94 (7)
Fort McClellan, Calhoun County, Alabama
Facility I.D. AL4 210 020 562

Dear Mr. Scott:

The Department has completed the review of McClellan Development Authority's (MDA) subject document and has determined that the sampling event appears to be adequate and complies with the Cleanup Agreement. Monitoring should continue in compliance with Part V of the Cleanup Agreement.

Also, in Section 2.1, MDA states that the asymmetric anticlinal fold strikes northeast southeast across the parcel. In future CMERs, please note that the fold strikes northeast instead of northeast southeast.

If you have any questions or concerns regarding this matter, please contact Ms. Kaneshia Townsend at 334-394-4356 or via email at ktownsend@adem.state.al.us.

Sincerely,

Stephen A. Cobb, Chief
Governmental Hazardous Waste Branch
Land Division
