Mr. Robin Scott
Chief Executive Officer,
McClellan Development Authority
4975 Bains Gap Road
Anniston, Alabama 36205

RE: ADEM Review and Concurrence: *Draft Final Engineering Evaluation/Cost Analysis (EE/CA) Action Memorandum Bravo Munitions Response Site-7 (MRS-7) McClellan, Alabama*; dated May 2012
Fort McClellan, Calhoun County, Alabama
Facility I.D. No. AL4 210 020 562

Dear Mr. Scott:

The Alabama Department of Environmental Management (ADEM or the Department) has completed its review of the McClellan Development Authority's *Draft Final Engineering Evaluation/Cost Analysis (EE/CA) Action Memorandum Bravo Munitions Response Site-7 (MRS-7)*. Clearance to depth of detection will be conducted in areas that will be developed and clearance to one-foot will be conducted in areas that will become part of the McClellan Park System. The Department concurs with this document. It is noted that the Action Memorandum for MRS-7 was submitted after the work plan for this area. In the future, please submit the action memo for each site prior to the work plan, as the action memo establishes the remediation goal that the work plan is designed to achieve.

For any questions or concerns regarding this matter, please contact Ms. Julie Ange of the Remediation Engineering Section at 334-270-5646 or via email at jange@adem.state.al.us.

Sincerely,

A handwritten signature in black ink, appearing to read "Stephen A. Cobb", is written over a white background.
