Subject: Replacement Pages for the *Final Corrective Measures Implementation Plan (CMIP) Addendum, Chemical Laundry and Motor Pool Area 1500, Parcel 94(7)*
McClellan, Anniston, Alabama

Dear Mr. Cobb,

On behalf of the McClellan Development Authority (MDA), Matrix Environmental Services, LLC (MES) is pleased to submit replacement pages for the *Final Corrective Measures Implementation Plan (Final CMIP) Addendum, Chemical Laundry and Motor Pool Area 1500, Parcel 94(7)*. The CMIP has been revised in response to ADEMs approval of the Risk Management-1 (RM-1) risk-based target levels (RBTLs). MES has revised Section 5.0 of the *Final CMIP* to state that RBTLs will be used as the cleanup standards at the Site in lieu of the preliminary screening values (PSVs). The replacement pages to the text for the *Final CMIP* which incorporate the revisions described above are attached to this response. No revisions to the tables for the *Final CMIP* were necessary.

Two hard copies of the replacement pages, and one electronic copy of the *Final CMIP* with replacement pages have been provided to Mrs. Brandi Little. Please contact me at (256) 847-0780 (Anniston) or (770) 594-0331 (Atlanta) should you have any questions or comments.

Sincerely,
Matrix Environmental Services, LLC
