Mr. Robin Scott  
Chief Executive Officer  
McClellan Development Authority  
4975 Bains Gap Road  
Anniston, Alabama 36205

**RE: ADEM Review and Concurrence:** *Final Munitions Response Site 9 Site-Specific Work Plan Addendum to the Program Level Work Plan for Munitions and Explosives of Concern Remediation of Alpha and Bravo Munitions Response Areas of McClellan, Anniston, Alabama;* dated April 2011  
Fort McClellan, Calhoun County, Alabama  
Facility I.D. No. AL4 210 020 562

Dear Mr. Scott:

The Alabama Department of Environmental Management (ADEM or the Department) has completed its review of the McClellan Development Authority's *Final Munitions Response Site 9 (MRS-9) Site-Specific Work Plan Addendum to the Program Level Work Plan for Munitions and Explosives of Concern (MEC) Remediation of Alpha and Bravo Munitions Response Areas of McClellan, Anniston, Alabama*. Terminology in the document was updated to be consistent with the latest Department of Army official definitions. Section 2.5.4 was revised to clarify that the surface sweep of areas in the vicinity of the MRS-9 hard targets will be performed by a team consisting of UXO Technician IIs and IIIs who will perform an instrument-aided surface sweep to remove surface munitions prior to the one foot clearance. In Section 2.5.6, elevated residual response has been defined as greater than 10 mV above background. All comments have been resolved. ADEM concurs with the subject document.

For any questions or concerns regarding this matter, please contact Ms. Julie Ange of the Remediation Engineering Section at 334-270-5646 or via email at [jange@adem.state.al.us](mailto:jange@adem.state.al.us).

Sincerely,

A handwritten signature in black ink, appearing to read "Stephen A. Cobb".

Stephen A. Cobb, Chief  
Governmental Hazardous Waste Branch  
Land Division
