Dear Mr. Scott:

On August 16, 2013, the Department approved your request to modify the gas monitoring system at the McClellan Industrial Landfill. A modified Solid Waste Facility Disposal Permit was sent to the facility on this date.

Matrix Environmental Services, LLC, on behalf of McClellan Development Authority, submitted the updated Explosive Gas Monitoring Plan to the Department on October 3, 2013. This letter is to confirm the Department's receipt of this plan.

If you should have any questions, please contact Devin Jenkins of the Solid Waste Engineering Section at (334) 270-5605.

Sincerely,

A handwritten signature in black ink that reads "S. Scott Story".
