**Subject: Final Concrete Monument Installation Report, Stump Dump, Parcel 82(7)**

Dear Mr. Coker:

Enclosed please find one copy of the subject document (and one CD) for your records. This report documents the installation of 27 permanent concrete monuments at the perimeter of the Stump Dump. Bronze markers inscribed "FILL AREA BOUNDARY" are located atop each monument.

The concrete monuments were installed to delineate site boundaries and to minimize safety concerns as recommended in the *Draft Site Investigation Report, Stump Dump, Parcel 82(7)*, issued in November 2003.

At your request, I have distributed copies of this document as indicated below. If you have questions, or need further information, please contact me at (770) 663-1429 or Steve Moran at (865) 694-7361.

Sincerely,

Jeanne A. Yacoub, P.E.  
Project Manager
