**Subject:      Draft Remedial Investigation Site-Specific Field Sampling Plan for the  
Impact Area for Range 30, Parcel 88Q and Former Rifle/Machine Gun  
Range, Parcel 103Q**

Dear Mr. Coker:

I am enclosing one copy of the subject document. This draft plan describes the field activities IT will conduct during the remedial investigation (RI) at the Impact Area for Range 30, Parcel 88Q and Former Rifle/Machine Gun Range, Parcel 103Q. The proposed RI activities for this site were presented and discussed at the January 2003 BCT meeting. During that meeting, the BCT agreed with the proposed investigation approach. Please review this document and respond with a letter of concurrence or comments with suggested changes.

I have distributed copies of this document according to the distribution list indicated below. If you have questions, or need further information, please contact me at (770) 663-1429 or Steve Moran at (865) 694-7361.

Sincerely,

A handwritten signature in black ink that reads 'Stephen G. Moran for'. The signature is written in a cursive style and is positioned above the typed name of the signatory.
