**Subject: Draft Remedial Investigation Site-Specific Field Sampling Plan for the
Former Large Caliber Weapons Range, Parcel 114Q-X**

Dear Mr. Coker:

I am enclosing one copy of the subject document. This draft plan describes the field activities IT will conduct during the remedial investigation (RI) at the Former Large Caliber Weapons Range, Parcel 114Q-X. The proposed RI activities for this parcel were presented and discussed at the January 2003 BCT meeting. During that meeting, the BCT agreed with the proposed investigation approach. Please review this document and provide either a letter of concurrence or comments with suggested changes.

I have distributed copies of this document according to the distribution list indicated below. If you have questions, or need further information, please contact me at (770) 663-1429 or Steve Moran at (865) 694-7361.

Sincerely,
