MEETINGS ATTENDED

- 1) No Project Team Meeting was held in May.

OTHER

- 1) The EPA grant for the RAB is being finalized. Pete Conroy is the lead community contact on this and can provide the details.
- 2) EPA is conducting a records review to determine the status of the environmental investigation and cleanup of all known hazardous waste sites at Fort McClellan, Main Post and also Pelham Range. The purpose of this review is to ensure nothing has been overlooked.

EPA requests that this report be incorporated by reference into the transcript of the RAB Meeting.
