Fort McClellan, AL 36205-5000

Dear Mr. Levy:

I have reviewed the Commodity Site Report, dated March 2000, and concur with the finding that no further action is required with respect to the surveyed areas with the exception you noted. I understand Building 3182, the old MP Museum, is to be designated as MARSSIM Class I and resurveyed for release. Please keep this office informed as to the date of the resurvey and necessary cleanup.

Sincerely,

A handwritten signature in black ink, appearing to read "Kirksey E. Whatley".
