RE: Site Investigation and subsequent Decision Document for Parcel 95(7)

Dear Mr. Levy,

Please reference my previous letter on this subject parcel dated 07/11/00. Subsequent discussions between all members of the Base Closure Team on this parcel were conducted. Based upon those discussions and presentations by your contractor I concur with the Army position that his parcel should be released for unrestricted reuse. Please consider this letter as an approval letter for the Site Investigation report as well.

Should you have any questions or if I can be of any assistance, please contact me at the letterhead address, or at 404-562-8541, or via e-mail at reedy.bart@epamail.epa.gov.

Sincerely,
