**Subject: Final Site Investigation Report and Decision Document
Former Security Operational Test Site, Parcel 102(7)**

Dear Mr. Pope:

I am enclosing one copy each (including compact disc) of the subject documents. As you will recall, this site was discussed during the February 2002 BCT Meeting. During that meeting, the BCT agreed with the recommendation for "No Further Action" and unrestricted land reuse at this site pending completion of a human health preliminary risk assessment (PRA). IT completed the PRA, which supports the recommendation previously made to the BCT.

At your request, I have distributed copies of these documents as indicated below. If you have questions, or need further information, please contact me at (770) 663-1429 or Steve Moran at (865) 694-7361.

Sincerely,

Jeanne A. Yacoub, P.E.
