Subject: Final Site Investigation Report, Former Trap and Skeet Range, Parcel 127Q

Dear Mr. Pope:

I am enclosing one copy (including compact disc) of the subject document. As you will recall, this site was discussed during the February 2002 BCT meeting. During that meeting, the BCT agreed that, based on the preliminary risk assessment results, this site is unsuitable for residential reuse without further mitigating actions. However, the site does not pose an unacceptable human health risk for continued use as a National Guard training area.

At your request, I have distributed copies of this document as indicated below. If you have questions, or need further information, please contact me at (770) 663-1429 or Steve Moran at (865) 694-7361.

Sincerely,

Jeanne A. Yacoub, P.E.
Project Manager
