TECHNICAL SUPPORT BRANCH

NAVIGATION BULLETIN NO. 17 - 07

NOTICE TO NAVIGATION INTERESTS:

TOMBIGBEE RIVER, ALABAMA

BIS Services, LLC. is expected to start construction the week of the 13th of March, of training dikes along the right descending bank upstream of the Southern Railroad Bridge at Jackson Bar, river mile 90.5. This work is expected to be complete in June 2017. The training dike construction will proceed 12 hours per day, 7 days per week, and the contractor will monitor VHF channel 16.

Mariners are urged to exercise caution when transiting this area.

For further information and updates, please contact BIS site manager Mr. Darwyn Jarrell at (504) 628-0846 or BIS general manager Mr. Jeff Hall at (504) 305-3289. In addition, Mr. Derek Kendrick of the BW&T/Alabama-Coosa Project Management Office (CESAM-OP-BA) may be contacted at (205) 752-3571.

CARL E. DYESS
Chief, Navigation Section
