**TENNESSEE-TOMBIGBEE WATERWAY, MISSISSIPPI**

**OPENING OF WHITTEN LOCK**

Significant cracks were found in the lower miter gates after the unwatering at Whitten Lock. Crews have been working around the clock to make the necessary repairs. Because of these unexpected problems and the need to complete the repairs before the lock is re-opened, the opening will be delayed until 6:00 PM Central Standard Time on Thursday, August 14, 2014.

For further information please contact Mr. Allan Brewer at the Tennessee-Tombigbee Project Management Office at (662) 327-2142 or cell (662) 574-7290.
