TECHNICAL SUPPORT BRANCH

NAVIGATION BULLETIN NO. 17-31

NOTICE TO NAVIGATION INTERESTS:

BLACK WARRIOR & TOMBIGBEE RIVERS, ALABAMA

Notice is hereby given that USCOE divers will begin dive operations to move listed threatened species at the entrance to Foscue Creek near Demopolis, on July 17th and will be complete by July 21st. Thereafter, on July 24th, the Mobile District MV Lawson and attendant plant will dredge both the berth area adjacent to the USCG dock in Foscue Creek and the Foscue Creek entrance channel connecting to the Black Warrior River. The dredging is expected to be complete by August 10th. The hours of work will be from 7:00 a.m. to 5:00 p.m. The work will consist of shoal dredging with barge placement of the dredge material at the river within bank disposal area in the vicinity of BWT river mile 214.

Mariners are urged to exercise extreme caution when transiting this area.

For further information, please contact James Curry at the BW&T/Alabama-Coosa Project Management Office (CESAM-OP-BA) at (205) 752-3571.

CARL E. DYESS
