TECHNICAL SUPPORT BRANCH

NAVIGATION BULLETIN NO. 18-53

NOTICE TO NAVIGATION INTERESTS:

TENNESSEE-TOMBIGBEE WATERWAY, MISSISSIPPI

DREDGE WORK, MILE 352.5, COLUMBUS LAKE

The Inland Dredge KELLY L and associated plant are preparing to go on tow from mile 366.0, Aberdeen Lake to mile 352.5, Columbus Lake. They expect to begin dredging work at that location around October 02, 2018, and will be working 24 hours per day, 7 days per week. Material will be disposed in the permitted upland disposal area C-19. Work activities will continue at that location for approximately two weeks before advancing downstream to mile 349.5. Navigation traffic can contact the dredge via marine radio on channel 16. Traffic is requested to transit this reach with caution at no wake speed.

For further information please contact Roger Wilson, Jr. or Joshua Oliver at the Tennessee-Tombigbee Project Management Office at (662) 245-5500.

CARL E. DYESS
Chief, Navigation Section
