U.S. ARMY CORPS OF ENGINEERS

BUILDING STRONG®

October 29, 2018

TECHNICAL SUPPORT BRANCH

NAVIGATION BULLETIN NO. 18-60

NOTICE TO NAVIGATION INTERESTS:

**TENNESSEE-TOMBIGBEE WATERWAY, MISSISSIPPI**

**DREDGE WORK, MILE 329.2, ALICEVILLE LAKE**

The Inland Dredge KELLY L and associated plant are currently in route to mile 329.2 on Aliceville Lake. They expect to begin dredging work at that location around October 29, 2018, and will be working 24 hours per day, 7 days per week. Material will be disposed in the permitted upland disposal area AL-17. Work activities will continue at that location for approximately two weeks before advancing downstream to mile 300.0. Navigation traffic can contact the dredge via marine radio on channel 16. Traffic is requested to transit this reach with caution at no wake speed.

For further information please contact Roger Wilson, Jr. or Joshua Oliver at the Tennessee-Tombigbee Project Management Office at (662) 245-5500.

CARL E. DYESS  
Chief, Navigation Section
