TECHNICAL SUPPORT BRANCH

NAVIGATION BULLETIN NO. 14-39

NOTICE TO NAVIGATION INTERESTS:

DEMOPOLIS LOCK & DAM
BLACK WARRIOR/TOMBIGBEE RIVERS, ALABAMA

Notice is given to mariners to expect delays at Demopolis Lock, river mile 213.2. Routine inspections have discovered a problem in the upper land gate anchorage assembly that must be resolved for continued operations.

Corps personnel will be closely monitoring the upper land miter gate and preparing a repair plan and time table. Once the repair plan and time table are finalized a navigation bulletin will be posted to advise mariners of the lock's status and any possible closure.

For further information, please contact Mr. Danny Hensley at the BWT/ALA Rivers Project Management Office, CESAM-OP-BA, at 205-752-3571 or 205-391-7074. The lock can be contacted on VHF channels 13 and 16, or 334-289-0645.
