NOTICE TO NAVIGATION INTERESTS:

TENNESSEE-TOMBIGBEE WATERWAY, ALABAMA

DREDGE WORK, MILE 266.1, DEMOPOLIS LAKE

The Inland Dredge KELLY L and associated plant has arrived at mile 266.1 on Demopolis Lake. They expect to begin dredging work at that location around November 16, 2018, and will be working 24 hours per day, 7 days per week. Material will be disposed in the permitted upland disposal area D-36. Work activities will continue at that location for approximately one week before advancing downstream to mile 251.5. Navigation traffic can contact the dredge via marine radio on channel 16. Traffic is requested to transit this reach with caution at no wake speed.

For further information please contact Roger Wilson, Jr. or Joshua Oliver at the Tennessee-Tombigbee Project Management Office at (662) 245-5500.
