NOTICE TO NAVIGATION INTERESTS:

**TENNESSEE-TOMBIGBEE WATERWAY &
BLACK WARRIOR/TOMBIGBEE RIVERS
ALABAMA and MISSISSIPPI**

Mariners of the Tennessee Tombigbee Waterway and the Black Warrior/Tombigbee Rivers are advised that while a 9' channel is available on both systems, there are numerous areas with width restrictions and/or have minimally a 9 foot channel. Dredging continues on the waterways to restore full depths and widths; however, it will likely be several months before the waterways are fully dredged. Restricted areas are marked with red and green buoys.

All traffic is advised to exercise caution when transiting these areas.

For additional information, contact Carl Dyess at the Mobile District Office (CESAM-OP) at (251) 690-2570.
