TECHNICAL SUPPORT BRANCH

NAVIGATION BULLETIN NO. 19-97

NOTICE TO NAVIGATION INTERESTS:

TENNESSEE-TOMBIGBEE WATERWAY, MISSISSIPPI

DREDGE WORK, MILE 362.6, ABERDEEN LAKE

Mike Hooks Dredge E STROUD and associated plant are preparing to go on tow from mile 349.5, Columbus Lake to mile 362.6, Aberdeen Lake. They expect to begin dredging work at that location on July 23, 2019, and will be working 24 hours per day, 7 days per week. Material will be disposed in the permitted upland disposal area AB-07. Work activities will continue at that location for approximately 10 days before advancing upstream to mile 366.0 on Aberdeen Lake. Navigation traffic may contact the dredge via marine radio on channel 16, if needed. Traffic is requested to transit this reach with caution at no wake speed.

For further information please contact Roger Wilson, Jr. or Joshua Oliver at the Tennessee-Tombigbee Project Management Office at (662) 245-5500.

CARL E. DYESS
