NAVIGATION BULLETIN NO. 20-108

NOTICE TO NAVIGATION INTERESTS:

BANKHEAD LOCK
BLACK WARRIOR RIVER MILE 365.1, ALABAMA

Notice is given to mariners that Bankhead Lock is closed until further notice. A valve bulkhead has fallen into the culvert slot closing off its respective emptying valve. These valve issues prevent the emptying of the lock chamber. A dive team and maintenance team are en route to survey the fallen bulkhead for any damage and facilitate removal of the bulkhead.

Mariners are to contact the lock for the latest information on the lock status.

For additional information, contact Mr. Chad Brumelow at the BWT/Alabama-Coosa Project Management Office (CESAM-OP-BA) at (205) 752-3571.
