TECHNICAL SUPPORT BRANCH

NAVIGATION BULLETIN NO. 20-39

NOTICE TO NAVIGATION INTERESTS:

MOBILE BAY, ALABAMA

Notice is given to mariners that Manson Construction Co. dredge *R.M. White* will begin maintenance dredging operations in Mobile Bay the week of 09 MARCH 2020; operations are expected to continue through early MAY. The dredge will work northbound from approximately Beacon 78 to AL State Docks Pier A. The dredge will utilize floating and submerged pipeline to dispose material into the open water disposal area east of the bay channel (see attachment for proposed pipeline route).

The dredge will monitor VHF Channels 13 and 16. Mariners should exercise extreme caution when transiting the area. Shipping traffic is urged to contact the dredge prior to passing.

For further information, please contact the **U.S. Army Corps of Engineers, Irvington Site Office** at (251) 957-6019.
