Notice is given mariners that Maintenance Dredging, LLC's pipeline dredge "Henry A" will commence dredging at the Chevron refinery's Bayou Casotte marine facilities on March 13, 2018. Dredging operations will run 24/7 and are expected to be completed in approximately 28 days. The dredge will be disposing material into Chevron's onsite upland disposal area. The dredge plant can be contacted on VHF-FM Channels 13 and 16.

Mariners should exercise extreme caution when transiting this area.

For further information, please contact the Justin Tassin with Maintenance Dredging, LLC at (504) 782-0995 or contact the dredge directly at (985) 703-2246.
