TECHNICAL SUPPORT BRANCH

NAVIGATION BULLETIN NO. 19-65

NOTICE TO NAVIGATION INTERESTS:

TENNESSEE-TOMBIGBEE WATERWAY, MISSISSIPPI
MILE 353.5, COLUMBUS LAKE

In reference to **Navigation Bulletin No. 19-39, Columbus Lake, Mile 353.5**, due to recent high water events, the shoal at this location has been partially removed. At this time, **there is no longer a draft restriction but, the channel is restricted to a width of 150'**. Recent hydrographic surveys depict depths greater than 9'. **Mobile District floating plant, M/V TENN-TOM and crane barge R.W. DAVIS will be on site Monday, April 29, 2019, to place navigational buoys in that area. All other channel restrictions referenced in Navigation Bulletin No. 19-39 are still in place until further notice.**

For further information please contact **Roger Wilson, Jr.** at the **Tennessee-Tombigbee Project Management Office** at **(662) 245-5486**.

Stephen S. Beams
