DREDGING OPERATIONS - MARRS

Notice is given to mariners that Modern American Recycling and Radiological Services, LLC (MARRS) is scheduled to begin dredging operations along their dock in the Mobile River on May 22, 2026. Dredging activities are expected to be completed by mid-September 2026 and are not expected to interfere with vessel traffic. The dredging support vessels can be contacted on VHF Channel 72.

Mariners should exercise extreme caution when transiting this area.

For further information, please contact Phillip Mason at (945) 789-6295.
