TECHNICAL SUPPORT BRANCH

NAVIGATION BULLETIN NO. 13-31

NOTICE TO NAVIGATION INTERESTS:

MOBILE HARBOR, ALABAMA

Notice is given to mariners that Thompson Engineering will perform underwater soil boring operations adjacent to the Mobile Ship Channel and the Gulf Intracoastal Waterway near Dauphin Island. Operations will be performed aboard the lift boat, LOUIE EYMARD. The project will begin Monday, September 16th and last approximately 1-2 weeks. The lift boat can be contacted on VHF Channel 13.

Mariners should exercise extreme caution when transiting these areas.

For further information, please contact the boat captain at 985-288-1262.

CARL E. DYESS
Chief, Navigation Section
