TECHNICAL SUPPORT BRANCH

NAVIGATION BULLETIN NO. 16-20

NOTICE TO NAVIGATION INTERESTS:

### GULF INTRACOASTAL WATERWAY, FLORIDA

Notice is given to mariners that Inland Dredging Company's dredge "KELLY L" is expected to begin maintenance dredging operations on March 22, 2016 at Mile 327.7 on the Gulf Intracoastal Waterway (GIWW) in Florida. Dredging will be performed at this location on the GIWW as well as each end of the Gulf County Canal. This work is expected to be completed in approximately three (3) weeks. The dredge material will be hydraulically placed into nearby upland disposal sites.

The dredge will utilize floating and submerged pipeline, in addition to a number of support vessels. All vessels will be lighted in accordance to U.S. Coast Guard Safety Regulations. The dredge plant can be contacted on VHF-FM Channels 13 and 16.

Mariners should exercise extreme caution when transiting this area.

For further information, please contact the U.S. Army Corps of Engineers, Panama City Site Office at (850) 784-9780.
