**NAVIGATION BULLETIN NO. 24-21**

**NOTICE TO NAVIGATION INTERESTS:**

### **MOBILE HARBOR, ALABAMA**

#### **DRILL BORINGS AND EQUIPMENT NEAR MOBILE RIVER CHANNEL**

Notice is given to mariners that Kiewit-Massman-Traylor (KMT) will be performing drill borings and geotechnical sampling in close proximity to the Mobile River federal navigation channel in the downtown area of Mobile River. Mobilization of barges and equipment will begin on or around Monday, February 19, 2024. Drilling activities are anticipated to begin Wednesday, February 21, 2024 on the west side the Mobile River channel south of the cruise ship terminal, then shift to the east side of the channel near the Austal terminal. Activities are expected to continue for approximately 3 months. KMT can be contacted on VHF-FM Channel 18A, 13, and 16.

Mariners should exercise extreme caution when transiting this area.

Please contact onsite POC Andrew Schaal at (541)-969-0559 or [Andrew.schaal@kiewit.com](mailto:Andrew.schaal@kiewit.com) for additional information.
