NAVIGATION BULLETIN NO. 24-24

NOTICE TO NAVIGATION INTERESTS:

TENNESSEE-TOMBIGBEE WATERWAY

THAD COCHRAN LOCK AND DAM
AMORY, MS
RIVER MILE 371.1

Due to a recent bearing failure in the upper land-wall sector gear at Thad Cochran Lock, the facility will be open to traffic during **scheduled daylight hours only** beginning **Monday, 19-FEB-2024**. The reduced schedule is projected to last thru **Wednesday, 21-FEB-2024**. The pre-scheduled times for lockages will be **0800, 1200, and 1600** hours.

Beginning **Thursday, 22-FEB-2024**, the lock will temporarily shut down to replace the necessary components. This closure is expected to last approximately **three to five days**. For updates on the ongoing work or to schedule a lockage, mariners may reach out to the lock via marine radio on channel 16 or telephone at 662-256-4051. A follow-up notice to navigation will be published once repairs are complete and the lock returns to normal operating schedule.

For any additional information please contact **Roger Wilson, Jr.** at the **Tennessee-Tombigbee Project Management Office** at **(662) 245-5500**.
