NAVIGATION BULLETIN NO. 24-31

NOTICE TO NAVIGATION INTERESTS:

MOBILE HARBOR, ALABAMA

DREDGING OPERATIONS AT ALABAMA SHIPYARD

Notice is given to mariners that the Maintenance Dredging I, LLC cutterhead Dredge **Henry A** will be performing dredging operations at Alabama Shipyard adjacent to the Mobile Harbor River Channel on or around 12 April 2024. Mobilization and pipeline setup has already begun. Dredging operations will be on the east side of the Mobile River Channel and conducted for areas under Pier H South. Operations are planned to continue twenty-four hours per day, seven days per week. Dredged material will be transported and placed into the Alabama Shipyard placement area on Pinto Island. Dredging activities are estimated to be complete on or around 18 April 2024.

The Dredge **Henry A** can be contacted on marine VHF Channels 13 and 16.

The field points of contacts for Maintenance Dredging I, LLC are Justin Tassin, 504-782-0995, and Joey Geil, 251-406-2801.

For further information, please contact Mr. Bryan Mugg at 251-307-1018 or James Kennett 251-605-6837.

Mariners should exercise extreme caution when transiting this area.
