MEMORANDUM FOR Commander, Mobile District

SUBJECT: Proctor Creek Feasibility Study Review Plan

1. References:

- a. Memorandum, CESAM-PD-FP, 15 September 2016, subject as above.
- b. Engineer Circular 1165-2-214, 15 December 2012, Civil Works Review.
- c. Planning Bulletin PB 2016-02, Civil Works Review, 4 March 2016.

2. Mobile District prepared the enclosed Proctor Creek Ecosystem Restoration Feasibility Study review plan in accordance with Engineer Circular 1165-2-214. Mobile District coordinated preparation of the review plan with the National Ecosystem Restoration Planning Center of Expertise (ECO-PCX). The ECO-PCX recommended approval of the review plan.

3. Mobile District requested exclusion from Type 1 Independent External Peer Review (IEPR). On 20 September 2016, the HQUSACE Model Certification/IEPR Review Panel endorsed Mobile District's request for exclusion from Type 1 IEPR.

4. I approve the Proctor Creek Ecosystem Restoration Feasibility Study review plan subject to receiving the IEPR exclusion request approval memorandum from HQUSACE. Any significant revisions to the review plan would require written approval from South Atlantic Division. Mobile District shall post the review plan and a copy of this approval memorandum to the District internet website. Before posting the review plan to the website, Mobile District should remove the names of USACE employees.

5. The point of contact for this action is Mr. David Bauman at (404) 562-5202 or David.J.Bauman@usace.army.mil.
