CAMPGROUNDS ON ALABAMA RIVER LAKES GOING CASHLESS IN NOVEMBER

MOBILE, Alabama – The U.S. Army Corps of Engineers at Alabama River Lakes announced that Corps-managed campground along the Alabama River will begin “cashless” operations November 1, 2018.

Only credit and debit cards will be accepted as payment at Gunter Hill Campground (Montgomery), Prairie Creek Campground (Benton), Chilatchee Creek Campground (Alberta), Millers Ferry Campground (Camden), and Isaac Creek Campground (Franklin). Other forms of payment, including checks, will not be accepted.

This change will streamline financial transactions, provide quicker processing of refunds and enhance gatehouse operations. Cashless operations will provide a secure way to conduct financial transactions and reduce the potential for theft or loss of cash funds. Persons who only paid with cash or by check in at the gatehouse in past years may obtain pre-paid credit cards from most retail stores prior to making reservations.

Reservations may be made by calling 877-444-6777, by visiting www.recreation.gov or in person at the gatehouse.
