Welcome to Lake Sidney Lanier. Located just 35 miles northeast of Atlanta, Georgia, the lake offers some of the finest recreational opportunities in the South. Built in the 1950's by the U.S. Army Corps of Engineers (USACE), this 39,000 acre lake has over 692 miles of shoreline. USACE operates 38 park areas around the lake for camping and day use activities.

DANGER

SAFETY NOTICE

Turbulent waters are present in areas immediately below the dam during water release. Extreme caution must be exercised. Exit the river when the warning horn sounds. There must be strict compliance with all posted signs and other safety rules.

UNDERWATER HAZARDS

There are submerged hazards in the lake. Be especially watchful for obstructions during periods of low water levels.
