

Allatoona Lake Hunting Permit Information

The U.S. Army Corps of Engineers at Allatoona Lake Project announced today that a \$20.00 special activity permit fee for Allatoona Lake Hunting Permits will be assessed beginning in the 2017/2018 hunting season. This fee is necessary because of increasing costs in administering the program. Allatoona Lake Project Hunting Permits include permit number, name, pertinent State hunting license number, regulations and a dashboard pass that needs to be displayed in vehicle while hunting. Hunting area maps and a copy of current hunting regulations may be viewed or obtained from the Allatoona website at: www.sam.usace.army.mil/Missions/CivilWorks/Recreation/AllatoonaLake/Hunting.aspx. The Special Activities Permit Fee is being assessed to cover the cost to revise, print, and issue the permits and cover some costs to improve wildlife habitat around the project.

Each year, approximately 400 permits are issued to hunters who utilize the current 2,777 acres of public land available for this activity. These permits do not apply to the Allatoona Wildlife Management Area, operated by the Georgia Department of Natural Resources.

Permits will be available on May 01, 2017, and may be obtained by submitting a request by mail to include hunter name, address, telephone number, pertinent State hunting license number, e-mail address, self addressed stamped envelope and check. All hunters are required to have a permit in order to hunt USACE hunting areas. If multiple hunting permits are to be purchased by single request all the above information will have to be provided for each hunter.

Checks should be made out to: F&A Officer Mobile District, COE. **Please do not send cash.**

Send requests to:

Allatoona Lake Project Management Office
1138 State Route 20 Spur, SE.
Cartersville, GA 30121
Phone: (678) 721-6700

Please check out the Allatoona Lake website and Facebook page for updated information. Any questions concerning this matter can be forwarded to Park Ranger J.P. Alvarez at (678) 721-6700 or at the above E-mail address.
