

ANNUAL DAY USE PASSES

Annual day use passes can be acquired through purchase at one of the many fee stations located around the project, or in-person at the Tennessee-Tombigbee Waterway Project Management Office at 5000 N Frontage Rd., Columbus, MS 39701. The cost is **\$40.00** and is valid for one year from the date purchased. A duplicate pass is no longer needed because the pass is now a hangtag that can be transferred to other vehicles. Individuals may buy more than one pass if desired.

If purchased at a fee station, send the receipt (which also serves as a temporary pass), along with a legal size, self-addressed stamped envelope with the adequate 1st class postage on the envelope. A hangtag will be sent to you with the month and year of expiration to replace the temporary pass. Mail receipts to the following address:

U.S. Army Corps of Engineers
ATTN: ANNUAL PASS
5000 N Frontage Rd.
Columbus, MS 39701

The receipt must be either sent or exchanged within **7 days** of purchase from a fee station. The receipt may also be exchanged in-person at the Project Management Office.

If purchased at the Project Management Office, the hangtag will be given to you on site.

CASH AND CHECKS WILL NOT BE ACCEPTED. Payments will be accepted through credit/debit card only.

If you have any questions, please call the Project Management Office in Columbus at (662) 245-5500 or the Bay Springs Site Office at (662) 423-1287. Both offices are open Monday through Friday from 8:00 am until 4:00 pm.; closed on federal holidays.
