2. Applicant: 
Name and Address: 

Telephone Number during business hours: 
A/C ( ) ______________________ Residence 
A/C ( ) ______________________ Office

3. Designation of Agent, Statement of Authorization, 
I hereby designate and authorize ______________________ 

__________________________ to act on my behalf in the processing of this permit application and to furnish, upon request, supplemental information in support of the application.

Signature of Applicant Date

4. Project Location: 
Street Address ______________________ City/Community 
Name of Waterway ______________________ Latitude ______________________ 
Geographic Location: Section ______________________ Township ______________________ Range ______________________ County ______________________ 
Loran C coordinates (if applicable) ______________________ 

5. Project Description, including all aspects of the project. Describe completely and in detail. Include any structures such as piers, wharfs, bulkheads, pipelines, boathouses, boatramps, groins, jetties, and appurtenances, as well as any dredging, excavation, or fill activities. Attach additional sheets if necessary.
5. Project Description (continued)

6. Dredging Project Specifications (Show locations and dimensions of proposed dredge areas on attached plans. Include existing and proposed depths.).

New Work       Maintenance Work
Cubic yards of material to be removed       Type of material
Surface area (square feet) impacted
Method of excavation
Nature of area to be dredged (check one)  Upland       Wetland       Waterbottom
                                          Other (explain)

7. Specifications for Discharge of Dredged or Fill Material (Show locations and dimensions of all disposal or fill areas on attached plans.).

Cubic yards of fill       Type of fill
Surface area (square feet) impacted
Source of fill material (check one) Commercially obtained       Dredged material       Borrowed on-site
                                          Other (explain)
How will discharged material be contained? (Include erosion control measures, levees, etc.)

Nature of disposal/fill areas (check one) Upland       Wetland       Waterbottom
                                          Other (explain)

8. Additional information relating to the proposed activity.
Are oyster reefs located within or near the project area? Yes         No         If yes, explain:
Will this project result in the siting, construction, and/or operation of an energy-related facility? Yes         No
Is the project area greater than 25 acres in size? Yes         No
Is any portion of the activity for which authorization is sought now complete? Yes         No         If yes, explain:

Month and year activity took place
If project is for maintenance work of existing structures or existing channels, describe legal authorization for the existing work. Provide permit number, dates or other form of authorization

9. Describe the purpose and public benefit, if any, of the project. Describe the relationship between the project and any secondary or future development the project is designed to support.

Intended use: Public       Private       Commercial       Other (explain)

10. Project Schedule:
Proposed start date
Proposed completion date

11. Names and address of adjoining property owners, lessees, etc. whose property also adjoins the waterway. Also identify the owners on the plan views in Attachment.

12. List all authorizations or certifications received or applied for from federal, state or local agencies for any Structures, construction, discharges, deposits or other activities described in or directly related to this application. Note that the signature in Item 13 certifies that application has been made to or that permits are not required from the following agencies. If permits are not required place NA in space for Type Approval.

   Agency          Type Approval         Identification No.       Date of Application       Date of Approval       Date of Denial
