NOTIFICATION PUBLIC NOTICE
U. S. ARMY CORPS OF ENGINEERS

USACE MOBILE DISTRICT, REGULATORY DIVISION
ELECTRONIC CORRESPONDENCE

TO WHOM IT MAY CONCERN: As part of ongoing efforts to review and streamline current procedures, the U.S. Army Corps of Engineers (USACE), Mobile District, Regulatory Division is transitioning to a paperless office and further implementing electronic processes. To support this effort, permit applicants, agents, consultants, landowners, and other entities are requested to submit all future permit applications (including all maps, drawings, and other supporting information necessary for the application) and requests for jurisdictional determinations electronically rather than by paper hard copy. With the exception of Jackson, Hancock, and Harrison Counties in Mississippi, please send all submittals to the following electronic mail (e-mail) addresses: CESAM-RD@sam.usace.army.mil. Submittals for Jackson, Hancock, and Harrison Counties in Mississippi should continue to be sent to the Mississippi Department of Marine Resources as specified in the Mississippi Joint Permit Application.

The Mobile District, Regulatory Division is also reviewing current public notice lists where agencies, organizations, members of the public, and other entities have requested a copy of the USACE, Mobile District, Regulatory Division public notices. If you are not currently on the electronic public notice list, but would like to receive electronic copies of the public notices, please send your contact name, agency/organization name (if applicable), and e-mail address to the following USACE email address: CESAM-RD@sam.usace.army.mil. Please include "Electronic Public Notice – Sign Me Up" in the subject line. If you are currently on the electronic public notice list, but you no longer want to receive the public notices, please send your contact name, agency/organization name (if applicable), and e-mail address to CESAM-RD@sam.usace.army.mil with "Electronic Public Notice – Remove Me" in the subject line. Public notices will continue to be available at the Regulatory Division website.

Please contact Ms. Lebya Harris, Regulatory Assistant, by e-mail at Lebya.J.Harris@usace.army.mil, or by phone at (251) 694- 3789 if you have any questions. For additional information about our Regulatory Program, please visit our website at www.sam.usace.army.mil/Missions/Regulatory.aspx
