# MOBILE DISTRICT RIVER BASINS & BOUNDARIES

## Colonel Sebastien Joly

Commander and District Engineer  
Mobile District

### District Facts:

Established in 1815, the Mobile District employs 1,100 civilian personnel and approximately 10 military officers with a presence that covers the states of Alabama, Florida, Georgia, Mississippi as well as all Central and South America. The Mobile District manages a \$1 billion Military, Civil Works, and International/Inter-agency Support program that responds to disasters, manages water resource infrastructure, protects the environment, and provides facilities for our national defense and inter-agency partners.

The Civil Works mission includes the operation and maintenance of six major river systems providing over 2,200 miles of navigation, seven deep-water harbors, 21 shallow draft ports, and flood control with over 67 projects that have prevented in excess of \$200 million in flood damages over the last ten years. The District's eight hydropower facilities generate 2.06 billion kilowatts of electricity and return \$44.8 million of the U.S. Treasury. Mobile also manages one of the largest recreation programs in the Federal government with 27 lakes and 464 recreation areas averaging more than 34.1 million visitors a year.

Mobile District provides project management, construction, and engineer services to support the Department of Defense Military Construction, International support to U.S. Southern Command (SOUTHCOM), and Inter-Agency Support to NASA, FBI and other federal agencies. The District also provides engineering studies and other technical assistance such as master planning, environmental management and real estate support.

# PROGRAM TRENDS & OBSERVATIONS

- Priorities: Deliver the Program, Revolutionize Delivery
  - Tyndall AFB Recovery
  - Mobile Harbor
  - Veterans Administration
- Huge, diverse program...and growing
  - MILCON (Tyndall, Eglin, Redstone, Patrick/Cape, Hurlburt)
  - Medical Support Team role w/MEDCOM  DHA
  - Environmental – Soil & GW Remediation, Environmental Quality
- In midst of acquiring key contract vehicles
  - Tyndall AFB D-B
  - Construction MATOCs/SATOCs (UR & SB)
  - MEDCOM
  - REAT successor contracts
- Revised AE task order selection procedures

AMTC, Eglin AFB

# A-E BROOKS ACTS OPPORTUNITIES – NAICS 541330 (UNLESS OTHERWISE NOTED) MOBILE DISTRICT AREA OF RESPONSIBILITY (AOR)

Project	Set-Aside Category	Est. Award Value	Projected Advertise Date
AE Services Environmental Restoration (REAT Replacement – HTRW)	UR - \$89M, SBSA \$10M	\$99M	W9127821R0003 FY21 advertise May 2021
